### Part X, Line 2:

Uncertain tax positions:

Management of the Foundation considers the likelihood of changes by taxing
authorities in its filed income tax returns and recognizes a liability for
or discloses potential significant changes that management believes are
more likely than not to occur upon examination by tax authorities,
including changes to the Foundation's status as a not-for-profit entity.
Management believes the Foundation met the requirements to maintain its
tax-exempt status and has no income subject to unrelated business income
tax, therefore no provision for income taxes has been provided in these
financial statements.
